T: Can I create a timeline?

Tell someone in your household, two important facts you have learned today about the Egyptian pyramids.

## Today's task:

Create a timeline to show when the different pyramids were built. Have a go at researching the dates. The answers are on the next slide.

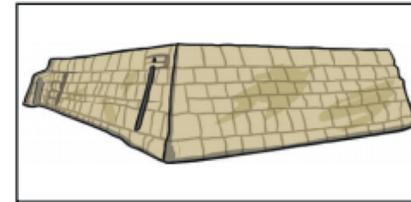

### From Mastaba to Pyramid

Read the description of types of pyramid. Match each description with the drawing.

#### True Pyramid

The tomb was built on a square base. The steps were filled and faced with limestone, giving it a smooth surface.

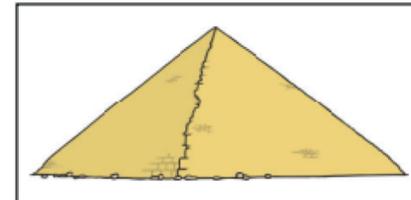

Built \_\_\_\_\_

#### Step Pyramid

Layers were added to the mastaba, giving it the appearance of a four-sided staircase.

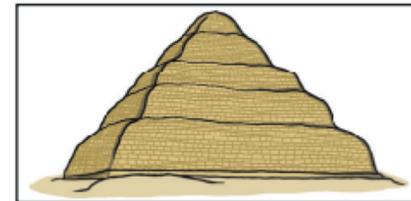

Built \_\_\_\_\_

#### Mastaba

A flat-topped, rectangular building was erected over a burial chamber.

Built \_\_\_\_\_

Find out when these were built. Cut them out and put them on a timeline.

# From Mastaba to Pyramid

Read the description of types of pyramid. Match each description with the drawing.

## True Pyramid

The tomb was built on a square base. The steps were filled and faced with limestone, giving it a smooth surface.

Built 2575BC

## Step Pyramid

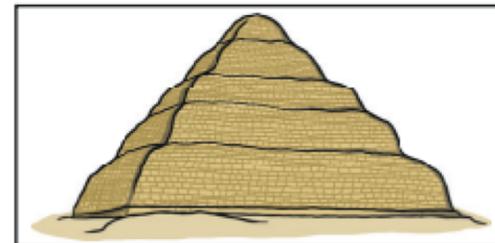

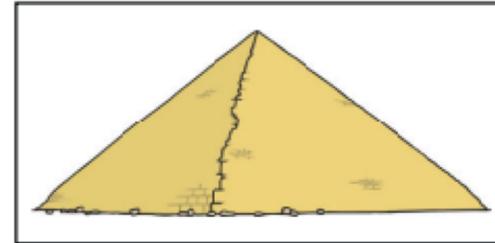

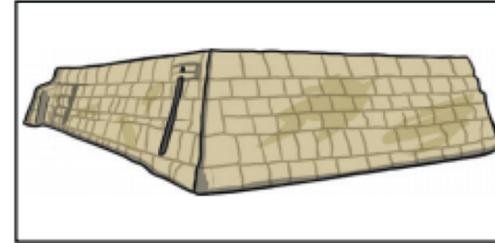

Layers were added to the mastaba, giving it the appearance of a four-sided staircase.

Built 2670BC

## Mastaba

A flat-topped, rectangular building was erected over a burial chamber.

Built 2780BC

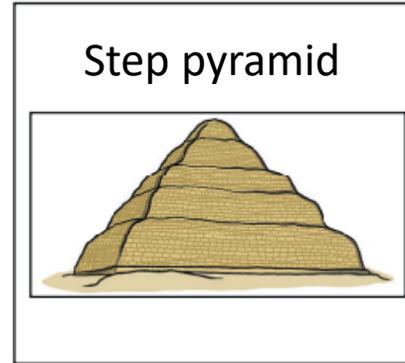

Find out when these were built. Cut them out and put them on a timeline.

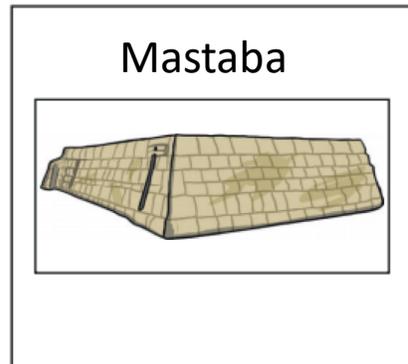

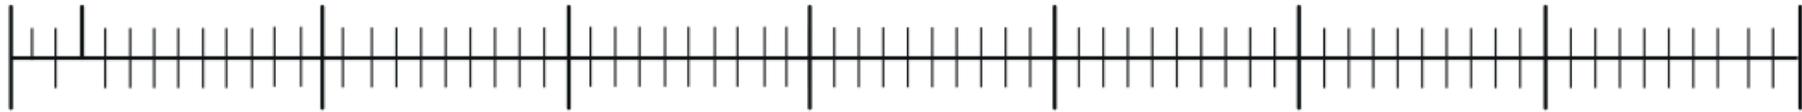

Here is what your timeline should look like. Once you have drawn a picture of each pyramid, write a short description next to it.
