

Dear Parents/Carers,

I hope you have all had a restful Easter break- I wish you all a very warm welcome back to the Summer term at St Francis Xavier Catholic Primary School and the final term of the year for your children on their Year 3 journey. This year, the children have truly shone out and are learning so many new and exciting things. We are so proud of each and every one of them, and are truly grateful that you, our families, give, as the first educators of the children.

Please see the Y3 summer term curriculum map overleaf for an insight into what your child will be learning over this final term of the year.

At the end of this Summer term, Year 3 will be having a '**Fabulous Finish day**' on which they will be able to celebrate their learning from across their topic '**Ancient Greece**'. The children will be able to come into school that day in '**themed dress**' and they will have the opportunity to bring in and showcase a project with the rest of the school and staff for the day.

Their project/showcase must be themed on "**Ancient Greece**". The children can represent their project in any way they choose e.g. they may use skills they have learnt in Art/DT, Computing, Research/English.

***** Year 3 Fabulous Finish date- Wednesday 10th July 2024 *****

The children will also be going on a school trip to The Botanical Gardens on **Tuesday 9th July 2024**, as part of their summer learning journey.

If at any point you have any questions or queries regarding your child's learning journey, please come and speak to the class teacher or one of the SLT.

Class teachers will be sharing key updates with you on Dojo throughout the Summer term, so keep an eye out!

We are truly excited for this final term of the year and celebrating learning with your children.

Thank you for your support,

God Bless,

Principal
