## Vocabulary in Action - Year Five

Each week, you will be tested on the $\mathbf{1 0}$ words from your year group word list.
You will then be tested on one or more spelling focus.
Your challenge will be to find as many words as you can with that pattern - so be brave and see how many you can find and spell correctly!

- Make a wordsearch, anagrams, crossword, quiz, order them alphabetically.
- Or aim to find SYNONYMS for the words? Do any of the words have HOMOPHONES? Or HOMONYMNS? Are there any ANTONYMS for the words?

## Words ending in -ably and -ibly

The -able ending is usually but not always used if a complete root word can be heard before it, even if there is no related word ending in -ation. The first five examples opposite are obvious; in reliable, the complete word rely is heard, but the $y$ changes to $i$ in accordance with the rule. The -ible ending is common if a complete root word can't be heard before it but it also sometimes occurs when a complete word can be heard
