What is bullying?

A bully is someone who hurts someone else continually (with words or unkind hands) by using behaviour which is meant to hurt, frighten or upset another person.

Bullying is NOT... Accidents Fighting, Falling out with friends Only once

Bullying can be:

Verbal: Name calling

Emotional: Hurting people's feelings

Racist: Calling you names because of your skin colour

Physical: Pushing and kicking

Cyber/online: Saying unkind things on social media.

At St Francis Xavier we remember what
